

BUDDY PROGRAM

MATCHING SYSTEM

FOR JUNIOR & SENIOR STUDENTS

1

Sign Up

Any students interested in the program can sign up, either as a junior or senior student, by filling out the sign up form.

Junior Students

Information Form

Used to see what junior students are looking for from the program and to learn about their interests.

Potential Matches are Presented

We aim to provide 2-4 options of senior students, based on similar chemistry and personal interests.

Junior Student Picks A Senior Student

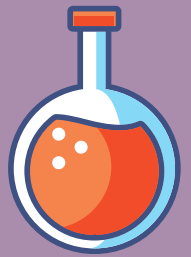

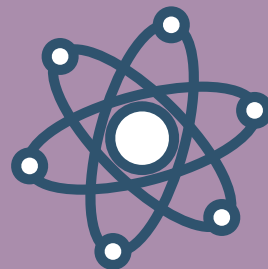

All senior student options are anonymous (no names or genders) so the junior student cannot identify the options.

Senior Students

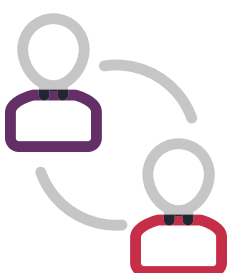

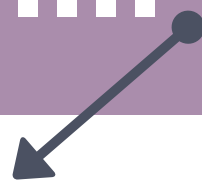

Information Form

Used to learn more about the senior students to accurately match them with junior students.

Senior Student is Informed of the Match

The senior student reaches out to their match and schedules the first meeting.

The students are matched and meet regularly throughout the year.
